COVID-19 Guidelines

Amidst the current pandemic, we understand the importance of putting measures in place to prevent the spread of COVID-19 during large gatherings. These guidelines for Chocolate Fantasy Ball will ensure the safety of our guests and event staff, while still hosting a fun, successful fundraising event.

Attendees are encouraged to follow social distancing practices (6 feet apart) when interacting with people from different households during the event. We also suggest avoiding direct physical contact, such as handshakes and hugs. At the time of the event, we ask that you please stay home if you have tested positive for COVID-19, are waiting for COVID-19 test results, have COVID-19 symptoms, or have had close contact with a person who has tested positive for or who has symptoms of COVID-19.

Family groups and companies will be grouped together for seating. We request that all attendees are vaccinated or provide proof of a negative COVID-19 test. All volunteers and event staff will be required to wear face masks and practice good hand hygiene, including frequent hand sanitizing. Hand sanitizer will be available in multiple locations. Additionally, we recommend guests wear masks when not eating or drinking. Complimentary masks will be available when you arrive at the event.

We reserve the right to postpone or reschedule the event, if necessary, under the guidance of the Arkansas Department of Health and the CDC. We as an organization will closely monitor the current situation and reserve the right to alter these precautions at our discretion. If necessary, we will go virtual.

Thank you for following our guidelines to make Chocolate Fantasy Ball a safe and successful event.
