

## Add Your Heart as a Legacy of Hope

Ronald McDonald House provides a “home-away-from-home” for families with hospitalized children. It provides every day essentials including a place to sleep, warm meals, a hot shower, and the ability to be together. Your heart on the RMHCA Heart Wall helps provide these essentials at no cost to families.

The Heart Wall is located on the fifth floor and features names, dates, or messages on each heart. These are seen daily by our families, as well as board, committee, and volunteer groups. This display will endure and grow for the life of the building. You can celebrate a family member or friend, memorialize a loved one, or remember a special date. The message is up to you.

Three Sizes (check one):

- \$250 - 4 inch Heart, 2 lines, 25 character max,
- \$500 - 6 inch Heart, 3 lines, 35 character max
- \$1,000 - 8 inch Heart, 4 lines, 55 character max

Please print the name or message as you would like it to appear on your heart:
